

Nick Williams

Medicxi, Partner

Nick is a Partner at Medicxi and joined the firm in 2018. He led Medicxi's investment in Phathom Pharmaceuticals (NASDAQ:PHAT) and currently serves on the boards of a number of portfolio companies, including Altesa Biosciences, Crosstalk Therapeutics and Podium Bio.

Nick's prior investments include MiroBio (acquired by Gilead Sciences) and Versanis Bio (acquired by Eli Lilly).

Nick graduated with an MPharm from Cardiff University and completed his training at St George's Hospital, London before returning to Cardiff to receive his PhD in urological drug delivery.
